**Headteacher: Emma Lane**

June 2018

Dear Parents,

## **Be Kind: Canvey Island Arts Days**

Thank you for returning your slips for the Creative afternoon on Thursday 21<sup>st</sup> June. We are looking forward to a busy and productive afternoon. Thank you so much to the two parents who helped us prepare the walls for our new Art work that will be created next week.

**Year 6 pupils** who are not attending Burwell House have been asked to come into school on both days in old clothes ready for painting and working around school.

We request that the children (and parents) come to school on Thursday 21<sup>st</sup> in **old clothes** so that they are ready to paint stones for the path to forest school and to add your hand prints to the mural. If you or your children have any potential allergies to the paint, please speak to the office or Miss Goldsmith and we will make sure that they do not touch the paints.

We will swap the children into classes with siblings together ready for Thursday afternoon and as you arrive in school at 1.30pm, we will let you know which class your children are in. If you have only one child in school, you will be able to go straight to their class after signing in.

Each class will have an allocated time to put their hand print on the mural and parents and children will all go together to the area to do this. It is going to be a busy afternoon but I hope a highly productive one.

## **Be Kind: School Community**

As the weather improves, it is lovely to see the children playing and enjoying the summer time. We have noticed that some children are coming to school early in the morning and we would like to take this opportunity to remind you that older children should not be on the school premises before 8.40am if they are coming to school on their own.

We are so lucky to have the extensive equipment that we have in school and we want to ensure that it is there to be enjoyed by our school community. For the safety of everyone on site, we do not allow bikes or scooters to be ridden on the school premises and are unable to allow the children to use playground equipment *before* school time. Please do not allow your child to climb or play around the car park and working areas of school.

We are looking forward to welcoming you into school next week and working together to celebrate our school community.

Yours sincerely,

Mrs E Lane  
Headteacher
