13th November 2017

Dear Parents,

HAPPY WORLD KINDNESS DAY!

I am sure many of you will have noticed our bright installation in the corridor. As part of World Kindness Day, we put in a submission to People United to have a 'be kind' sign and we were incredibly lucky to be successful in what, I am informed, was a large field of applicants. I have attached a copy of the press release with this letter so that you can find out more.

The sign has already sparked discussion between staff and pupils about being kind and is acting as a daily reminder of how important it is to value each other and make kindness central to everything we do.

To celebrate World Kindness Day, we have asked all the staff, children and members of our wider school community to write a tag with a suggestion of an act of kindness. Everyone in school will then have a tag with a suggestion and we look forward to seeing how these acts work out in the week to come.

Kent Children's University have come up with some great ideas of activities you could do at home. I have copied these with this letter so that we can share their ideas and gain CU credits (where Kent talk about 1 credit, we will give 1 hour on the children's passports).

I am really looking forward to seeing how else we can be inspired by our 'be kind' sign throughout the year.

Yours sincerely,

Miss S. Goldsmith
