November 2018

Dear Parents,

On Friday 30th November we have a representative from 'Kids Run Free' (a National children's charity helping kids to become healthier, happier and more confident through running) visiting the school for a very exciting 'launch day!'

We have enrolled in the 'Marathon Kids' programme with the goal to run/walk regularly and achieve up to four marathons over the academic year! We are very excited and hope that the children will make you proud!

They will set us up with a Digital Tracking System (DTS) which all children are added onto, allowing us to track and measure all progress and participation. The children can then celebrate their successes and be rewarded for reaching milestones.

Our Marathon Champion will help us to set up an official running course on the field and the playground and will walk/run with the children during different sessions throughout the day. The children will learn how to track their distances and input them into the Digital Tracking System.

We are very excited about this official launch day and hope that the children are able to get fully involved with our visiting champion. It is therefore vital that you have returned your child's permission slip for the DTS. Another copy is attached below for those who have not yet returned it.

Thank you for your support,

Yours sincerely,

Mrs L Clark

Marathon Kids Digital System

Please complete and return to Mrs Clark

Child's Name: Class:

I give permission for my child to participate in the Kids Run Free Digital Tracking System.

Signed:Parent/Guardian
