10th September 2018

Dear Parents,

HOMEWORK

Last year we were impressed by the effort and creativity shown by children (and parents) when completing their half termly creative homework. The work was shared in year groups and where possible, displayed around the school. Creative homework will continue this year and we look forward to seeing the children's work.

In Maths we give children and parents more freedom to practise their maths skills in a variety of ways, through practical work or through interactive resources. All children who bring in their maths homework book weekly to be checked, will be rewarded. There are always maths worksheets available for children to take home if needed.

The current homework expectations for a child in Year 1 are as follows:

- Weekly spellings – handed out on a Friday and tested on a Friday.
- Reading – at least three times per week please.
- Maths skills – books to be handed in on a Wednesday. (These skills will be assessed and updated each half term).

Half termly topic based homework – more details will be attached to the homework.

Your child is welcome to attend homework club after school, where they will be supported in practising their reading, spelling and maths skills.

Monday	Years 5 and 6
Tuesday	Years 5 and 6
Wednesday	Year 6
Thursday	Years 1 and 2 Years 3 and 4
Friday	Years 3 and 4

Yours sincerely,

Mrs E. Lane
Headteacher
