Dear Parents,

As an academy we take pride in celebrating children's successes but recognise that these have previously been mainly linked to in-school achievements. We enjoy hearing the pride within every child's voice when they share their accomplishments from extra-curricular activities and want to celebrate these to a wider audience.

Last week we held a special whole school assembly 'The Sky Has No Limits'. We are asking all children to set themselves a target to strive for by the end of this academic year. In assembly, children heard examples of goals from other pupils such as: tying their laces, riding their bike without stabilisers, moving up a swimming group, earning their Silver times table award and being top of the Spelling Shed League!

Please discuss with your child a measurable goal they would like to achieve this year and return this to your child's class teacher on the slip below – this goal will then be displayed in class. When your child has achieved their goal, be sure to let us know so we can celebrate with them.

Yours sincerely,

Mrs E Lane
