March 2020

Dear Parents,

Nature Friendly Schools project

We are very lucky this year to be taking part in the Nature Friendly Schools project, where it has been decided that our school grounds are to be improved. The aim is to provide a sensory garden and wildlife areas for nature and for learning. Your children will be involved in this process, by getting the chance to build bug hotels, clear areas ready for planting and sow wildflower seeds for the whole school to enjoy and learn about in the summer months onwards.

On Friday 6th March, all three Year 4 classes will be having a session outside led by the Essex Wildlife Trust. They will be going whatever the weather, so will need appropriate clothing that they can come to school in and wear all day. They will need an old coat, warm clothes such as thick cosy trousers i.e. jogging bottoms also layers e.g. t-shirt, long sleeve shirt and a jumper will be necessary. Please note they may get muddy! If it is raining, we have a supply of waterproof tops, trousers and wellington boots that the children can borrow for their session. Appropriate footwear is a must, such as wellies, as they are waterproof and ready for gardening.

Yours sincerely,

Mrs E Lane
