

Dear Families,

We hope that this latest update finds you all safe and that you've enjoyed the most recent home learning activities! We have loved receiving your updates and looking at all the fantastic work and activities that you have been completing at home - so many of you have been working really hard and the creativity is amazing! This week, we have really enjoyed welcoming some of the Year Six children back to school and have started to study the Ancient Greeks.

This half term, our topic will focus on Ancient Greece. Please read through the latest activities that we have made for you to work through and remember that you can also complete ideas of your own (Purple Mash is a great resource for this!) We really enjoy seeing what you have created and produced!

The work does not have to be printed to be completed; we understand that not all of you can print the work but you can if you are able to.

Remember to keep emailing us your amazing work at [Year6@northwickpark.essex.sch.uk](mailto:Year6@northwickpark.essex.sch.uk)

Take Care!

Year 6 Teachers.
