Dear Parents,

Reception Road Safety Walks

The Reception classes are to be given a road safety session by SERP (Safer Essex Roads Partnership) in order to educate them about keeping safe near roads. This is an informative and educational session for both parents and their children. It will take the form of a walk around the locality, pointing out hazards and heightening awareness of keeping safe.

We would like each child to be **accompanied** by an adult, either a parent, guardian, grandparent, childminder etc., so that we can go safely on our walk and for the Road Safety Officer, Sue Barlow, to talk to both you and your child.

There will be three sessions over three days.

We would like to include as many children as possible in these walks, so would ask that you indicate the best possible time for you (or another adult) to attend these walks with your child. These slots will be allocated on a first served basis and if there are few people in a specific time slot, we may need to amalgamate sessions with other times.

We will send out your allocated times on 10th January.

Yours sincerely,

Mrs Moore, Miss Hurley and Miss Leader
