Dear Parents,

Instrumental Sharing Session

On **Friday 28th February**, we will be holding a celebration sharing session for all of our young musicians. This will showcase what the children have been learning in their instrumental lessons and choirs and will give some of the children who have individual lessons a chance to play to an audience. This showcase will feature; Y5 + 6 woodwind, Chamber choir and instrumental soloists.

The informal event will start here from 2.00 p.m. We anticipate the performance will last for around an hour.

Due to the large number of children taking part in this event, we will initially offer two tickets per family. You will be able to request further tickets and these will be allocated nearer the time if there are any spaces available. Please be advised that siblings are welcome and if they can sit on parent's laps, they do not require a ticket.

Thank you for all the support you give to your children and the school in their music making and I hope it is something they will remember and use in the future!

Yours sincerely,

Miss S. Goldsmith
