February 2020

Dear Parents,

We have put together a revision programme for English to cover all the key areas which need to be revised before SATs in order to prepare your children fully.

Over the next nine weeks, we will be expecting the children to follow the programme we have given them, using the internet to aid their revision and the KS2 English SATs Buster book.

In addition to the revision programme, it is important that the children continue to learn their weekly spellings and practice their times tables. All children have access to 'Spelling Shed' and 'TT Rockstars' to enable them to do this at home. Please also continue to read with your child at home as reading speed and fluency are vital to the reading test. Children will continue to have weekly maths homework sent home to complete.

The BBC website: <http://www.bbc.co.uk/schools/ks2bitesize/> is a useful revision guide for the children.

The key to good revision is repetition, word or gesture associations, providing an appropriate workspace and planned revision time.

We thank you for your continued support at this time in the lead up to SATs.

Yours sincerely,

Year 6 Teachers

Revision Information

Please return to Y6 Teacher

Name: Class:

I have received the Y6 revision information and confirm that I will support my child.
