

Year 5 Creative

Research Project

Create a fact file, booklet or PowerPoint presentation all about Africa.

You could include information to answer some of the questions below.

- Where is Africa?
- Which countries are found in Africa?
- How do lifestyles vary across the different countries within Africa?
- Which animals are found in Africa? Where do they live? You could include some interesting facts about some of these animals.
- How does the weather vary throughout the year?
- What famous landmarks are found in Africa?

Design your own African mask.

Use tribal patterns to draw an African animal.

Do you have any other ideas which link to our topic on Africa?
