

Activity 3

<u>Senses</u>		
What can you see? E.g. elegant, blossoming flowers		What can you hear? E.g. chirping, high pitched birds
What can you smell? E.g. succulent, dewy flowers	What can you touch/feel? E.g. dewy, thick grass beneath my bare feet	What can you taste? E.g. sweet, delectable strawberries

Activity 4

Now can you create your own full sentences about the garden using all 5 senses.

Remember to include the following

- Adjectives (describing words)
- All five senses
- A range of vocabulary
- Full stops, capital letters and finger spaces.

If you feel like a challenge, can you include at least two adjectives per noun like the examples above to make a 2A sentence? E.g. The **succulent, dewy** flowers smelt strong as I walked along the **hard, cobbled** path.
