October 2020

Dear Parents/Carers

Thank you for your ongoing support in these very challenging times. Now the reception children are in full time, we have assessed how all the staggered entry and exits are working and don't anticipate any more changes.

As a school, we get sent regular guidance and are working hard to implement this in order to keep the whole school community safe.

Reminders

- Please remember only one adult per child is allowed on site (children aged over 12 are classed as adults).
- If you have an appointment with a member of school staff – only one adult may attend.
- Once you have collected your child(ren), please leave the site immediately.
- No children are allowed to play on the apparatus after school.
- Please remember to socially distance whilst waiting at the gate and on school premises.
- Scooters and bikes should not be ridden on the school site.
- Please refrain from smoking near the school entrances.
- Please do not park near the school (or use the school entrance as a turning point).

Thank you for your continued support – we do appreciate it.

Yours sincerely

Mrs E Lane
