Dear Parents

We hope you are well. As you are aware we will be setting home learning via Purple Mash on a daily basis.

- Pupils will be set one maths and one English/RWI lesson/activity per day
- Pupils will be set work for one other subject each day (Science, Topic, RE, PSHE, Music, ART, DT)
- Pupils will be expected to complete some form of physical exercise
- Optional extension activities will be provided to cover a longer period of time. These will be emailed out later this week
- All activities will be set through the Purple Mash platform but not all work will need to be completed using an electronic device as we understand that you may have more than one child needing access to it
- Daily work will be on Purple Mash by 9 a.m
- Teachers will be supporting pupils in school as well as setting and marking remote learning but will do their best to answer emails, queries and provide support between 8:45 and 3:45
- Work should be handed in through Purple Mash or via the year group email

The table below shows our expectations for the amount of work to be completed daily.

English	40 minutes daily work set by the teacher	20 minutes Spelling Shed or reading/story time
Maths	40 minutes work daily set by the teacher	20 minutes of Maths skills using Maths Shed, Times Table Rock Stars, Number Bots or an internet game
Other Subject	40 minutes/1 hour set by the class teacher	
20/30 minutes of daily exercise	PE ideas will be sent to you later this week but this could include a family walk, Joe Wicks, Cosmic Yoga or Jumpstart Jonny. There are also ideas on our school website.	

Children who are permitted to attend school because their parents are key workers or they have an EHCP, will be completing the same work with their teachers.

If you have no internet access, please contact the school for support.

A teacher will telephone you towards the end of the week to find out how your child is getting on with the work they have been set. This call may show as a withheld number.

Thank you for your continued support
Mrs E Lane
