28th November 2017

Dear Parents,

Ofsted Inspection

Yesterday we received the report from the school's recent Ofsted inspection. All the children have been given a paper copy to bring home and it will also be available to view on the school and Ofsted websites.

This is the first time the school has been inspected since it became an Academy in December 2014.

We are very pleased with the report and feel the team have really captured the ethos of the school in their report. During the inspection process, we jointly agreed the areas for development to help us further improve the education we provide for all the pupils at Northwick Park.

We are particularly pleased that the outstanding behaviour of your children was highlighted in the report.

Thank you again for the many positive comments that so many of you wrote on your parent questionnaire.

I look forward to seeing you all at our Christmas events starting with Christmas decoration afternoon followed by family singing on Friday 8th December.

Yours sincerely,

Mrs E Lane
Headteacher
