Dear Parents and Carers,

Walk to the Lake

To introduce our topic, next half term we want to visit the lake. The national curriculum states that children need to carry out simple fieldwork and observational skills to study the geography of their surroundings and compare human and physical features. This trip will therefore support the children's learning. The trip will commence on Wednesday 18th April 2018. We will be leaving school at 1.15pm and return 2.45pm. The children need to have sensible footwear for the trip.

We appreciate your continued support.

Yours sincerely,

Year 2 teachers
