Dear Parent/Guardian,

Active Lives Survey

You may remember earlier in the year that your child's class took part in an 'Active Lives Survey'.

To help us further, we would like you to complete the online questionnaire which will take about 20 minutes. This means that we will have more detailed information than we could have collected from your child to supplement the answers they can give so that we have a broader picture of activities done by children aged 5-7. You can complete this at home, with or without your child, **between 11th June and 15th June 2018**. The web link you need is <https://goo.gl/Fn7AAG>.

Thank you for your continued support.

Yours sincerely,

Year 2 teachers
