Dear Parents/Carers,

Internet Safety Meetings on Wed 27th September

As we are all aware, technology is all around us and advancing at a rapid rate. As part of our Duty of Care to all our children, we continually teach and support our children about the dangers of technology and the internet, alongside exploring the positive aspects. Parents play an essential role in keeping their children safe and we actively support this in any way we can.

As part of this support, we will be running e-safety sessions in school with the children in Key Stage 2 and this will include parental sessions. We invite parents to attend these vital sessions with your children. They will run for 45 minutes at 8am, 9am, 2pm, 6pm and 7pm

As you will understand, this is an emotive subject and we feel that the best way to approach it is for parents and children to hear the same messages. We hope that we will get your full support in this by your attendance at these meetings. In the past, we have received comments from parents that these sessions are simply a computer course and support is not needed, or that it will all be about Facebook, but this is not the case. This is not an issue that just relates to computers, it is an issue of safeguarding our children.

Please fill in the form below and return to the school by Friday 15th September. We will continue to contact you until we receive a reply for your child!

We look forward to seeing you at one of the meetings.

If you are unable to attend any of the sessions, please let us know why and we will try to accommodate you by adding additional sessions (this could include a Saturday).

Yours sincerely,

Mrs E. Lane
