Dear Parents,

Reception Road Safety Walks

I apologise for having to cancel the road safety walks this week. The dates were arranged in November and then the road safety officer took early retirement and left very suddenly at Christmas and we were not informed!

Following a reorganisation of the service, the format of the session has now changed. The sessions will now be for up to 30 adults/children and last approximately 45 minutes. A road safety officer will talk to the adults for ten minutes, your children will then join their adult for an indoor interactive session.

The sessions are booked for the 4th, 6th and 7th February at 9 o'clock. Please indicate on the reply slip which session you can attend. A slip confirming your session will be sent home on Friday 1st February. All sessions are open to children from any reception class.

Yours sincerely
