11th September 2017

Dear Parents,

As you may already be aware, each child has a special folder called 'My Learning Journey'. They are folders which are kept in school. They contain best work, work the child is proud of and work which shows progression.

All member of staff are able to contribute to them within the school setting as well as parents, carers, family members and child care.

We really do value your contributions and would really like to include more from outside of school.

Here are a few examples of appropriate things that could be included in the Learning Journey:

- Photos/Certificates from clubs
- Wow moments (on sheets)
- A small comment when you have been proud of your child
- Pieces of work that your child has completed independently at home with a small adult comment.
- Times of celebration/events

We look forward to seeing some of these contributions.

The folders will be available to view at open evenings later in the year.

Yours sincerely,

Miss Hurley, Mrs Moore and Miss Leader
