October 2019

Dear Parents,

Canvey Christmas Lights

We have been invited to perform in Canvey Town Centre for the Christmas lights switch on Saturday 30th November. The event takes place on a stage near the library and is always a lovely start to the festive season. As yet, we do not know the exact time of the performance, but we anticipate it to be around lunch time for about an hour in total (20 mins on stage).

We would like to invite children in year 3 to take part. I understand that without full details, it is hard to commit but we would like to know how many children may be interested.

Once we know, we will get the full details to you.

Yours sincerely,

Miss Goldsmith

Canvey Christmas Lights

Please return slip to the office

Name class

I give permission for my child to take part in the Christmas singing in Canvey Town Centre on Saturday 30th November.
