September 2019

Dear Parents,

Year 1 Homework

In Year 1 we will introduce Creative homework. We will provide your child with a menu of activities related to the topic. We hope you will work with your child to produce one of the ideas. We invite the children to bring their creative homework into school where it is celebrated in a special year group assembly.

We have invested in Spelling Shed and Maths Shed which are interactive computer resources that children can access at home and school. Login details are below.

In Maths we give children and parents more freedom to practise their maths skills in a variety of ways, through practical work or through interactive resources. All children who bring in their maths homework book to be checked, will be rewarded. There are always maths worksheets available for children to take home if needed. Maths homework will begin after half term.

The current homework expectations for a child in Year 1 are as follows:

- Weekly spellings – handed out on a Thursday and tested on a Thursday.
- Reading – at least three times per week please.
- Maths skills.

Half termly topic based homework.

Yours sincerely,

Mrs E. Lane
