September 2019

Dear Parents,

We are very pleased with how well your children have settled into school. As discussed at the intake meetings in the summer, we will be holding three meetings to tell you about the Foundation Stage Curriculum.

We will also be explaining the phonics programme your child will be following. This programme is called Read, Write Inc. and has proved to be a highly successful programme.

We would like to invite you to come to a meeting where we will be able to introduce you to the programme, how we will be teaching reading and writing and help you to support your children through this programme when they are at home reading and writing with you.

To allow for as many parents as possible to attend this important meeting, we will be holding the meeting three times to give you a choice of which one is more convenient for you to attend. Please feel free to bring any other adults who will be supporting your child so that we can spread these important messages to as many people as possible to allow the best start to the world of reading and writing for your child.

These meetings will be held on **Tuesday 24th September at 9.00 am, 2.15 pm. and 6.00 pm.** in the school hall. Please return the slip below to your child's class teacher indicating which meeting you would like to attend, as soon as possible.

As you can appreciate, this meeting is very important and we look forward to seeing as many parents as possible.

Yours sincerely,

Mrs E. Lane
