Dear Parents,

## **Learning Journey**

Every child in Reception has a special folder called 'My Learning Journey'. They are folders which are kept in school. They contain best work, work the child is proud of and work which shows progression throughout the year. They are the same format as in nursery and are used to aid their transition into school.

All members of staff are able to contribute to them within the school setting as well as parents, carers and other family members.

We really do value your contributions and would really like to include more from outside of school.

Here are a few examples of appropriate things that could be included in the Learning Journey:

- Photos/Certificates from clubs
- Wow moments (on sheet provided)
- A small comment when you have been proud of your child
- Pieces of work that your child has completed independently at home with a small adult comment.
- Times of celebration/events

We look forward to seeing some of these contributions.

The folders will be available to view at open evenings later in the year and they will bring them home in July.

Yours sincerely,

Miss Gillbe, Mrs Moore and Mr Keys
