February 2020

Dear Parents,

## **School remodelling**

Due to an increase of nursery children, Miss Gardner's classroom is being remodelled to accommodate the April Nursery intake. Next week the classroom behind Miss Dickinson's room is being decorated and will be IVG's classroom for the rest of the school year. From Monday the 24<sup>th</sup> of February the children in IVG will come into school through the door by the water fountains. At the end of the day your children will be handed over to you here.

The children have visited their new classroom and are very excited about the move!

Yours sincerely,

Mrs E Lane  
Headteacher
