November 2020

Dear Parents/Carers

We have seen a wonderful idea from another school and we think it is something really special that we would like to introduce here at Northwick.

As a result of the current Covid restrictions, many children and adults are missing out on celebrating their birthdays with family and friends as they usually would, with parties or gatherings that are currently not allowed during this time. We understand our children have already had so many changes and had to adapt to new rules and regulations both at home and school, and their emotional wellbeing is something that is very important to us.

Therefore, we would like to give children and staff the opportunity to celebrate their birthdays in school with their class friends! We have decided we will hold a birthday party within each class on Wednesday 25th November, this will be to celebrate all children who have had or will have their birthday in September, October, November or December.

On Wednesday 25th November all children will have their packed lunch or school meal as normal. During the afternoon, school will provide fun games, activities, snacks/treats and a party atmosphere. There will also be a gift for each birthday child and staff member. All of the party costs will be covered by school. We are unable to accept donations of food or birthday cakes. Children must still come to school in their normal school uniform.

We look forward to giving every child the opportunity to celebrate with their friends and mark their special day.

Yours sincerely

Mrs E Lane
Headteacher
