

Purple Mash How to guide

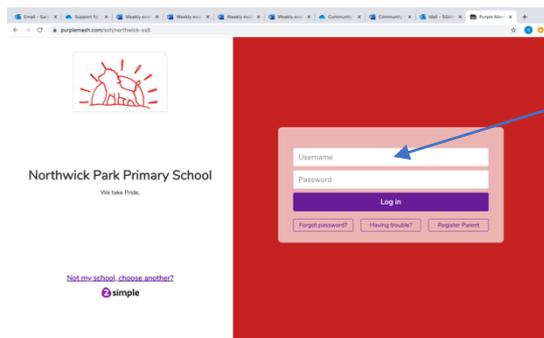

Type 'purple mash' in to your search engine. The login screen looks like this.

Click here to enter the Northwick Park area of the site

On this screen type Northwick Park or SS8 9SU to find us. Then double click the name of the school to enter the school area.

Type your child's username and password here.

The home screen looks like this

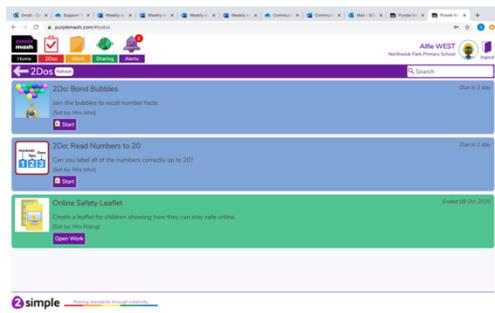

Find work that has been set

Read notes sent by the teacher

Other activities the children can use

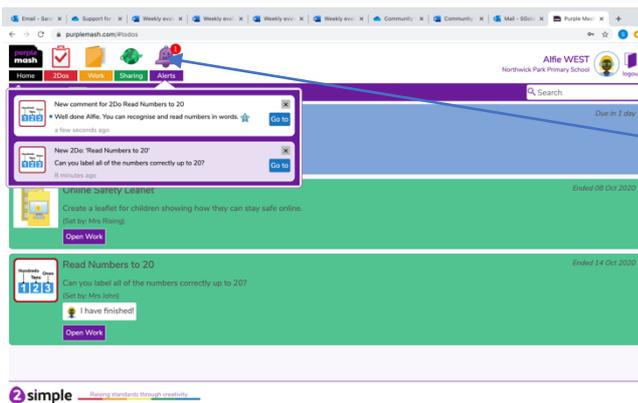

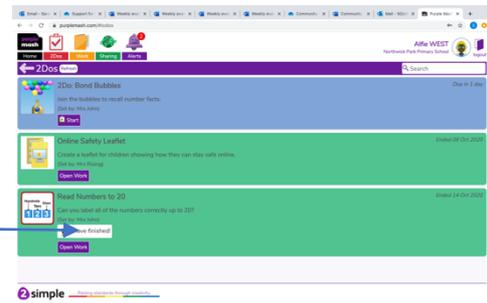

Child's name

Exit button

If you click on the '2Dos', a list of work set by teachers appears. Click the purple button to start the activity.

Once the activity is complete it shows on the list

Click on the alerts to see when new work is set and to read any comments.

There is a video you can watch to show you purple mash in action.
