January 2021

Dear Parents/Carers,

I hope you are all safe and well. Well done to the children who sent work in today. The teachers who were not teaching Key Worker children today have been busy marking it. Please don't worry if you haven't sent any work in yet, I know lots of you are not very well and many of you have more than one child to help with their home learning. If you are having any problems logging onto Purple Mash, please email your child's year group or ring the school in the morning. Also, if you need any further explanation about any of the tasks, please email and staff will either email you or phone you back to talk to you and/or your child.

Some optional extension activities will be emailed out later this week.

On Thursday and Friday this week, all the class teachers will be phoning you to see how you are and how you are getting on with home learning. This may show as 'number withheld'. During the following two weeks, children in Year 1 to Year 6 will have a call from either their maths or English teachers. In Reception it will continue to be their class teacher.

We will be issuing your child's mid-year school report earlier than usual this year, before half term in early February.

If your child is registered to receive Free School meals, their food parcel will be ready for collection from 10.00 am tomorrow.

If your child is currently working with our school counsellor (Bonnie) and is not attending school, she will ring you next week to see how you all are. In these difficult times, if you feel you need some extra support, please ring the school and leave a message with the office staff and Bonnie will ring you back. This may not be for a few days as she does not work full-time.

I have instructed staff to only respond to emails during the working day, so if you do have any urgent questions please continue to email me directly on head@northwickpark.essex.sch.uk

Thank you for your continued support.
Mrs Lane
