Dear Parents/Carers

I hope you are all safe and well. Unfortunately, under current regulations, we are not yet able to hold our usual school events for parents to attend.

After half term all year groups will be having a 'sports afternoon' and we would like to be able to share these with you. In December we obtained permission from all parent/carers for their child to be included in a film that would then be shared using the school website. We would like to be able to film the sports days and put the weblink on the school website for you to enjoy at home. The permission you gave in December is still current, so unless you inform us otherwise, your child will be included. For children where we did not receive permission, they will still be able to participate in the sports afternoon but we will make sure they are not included in the film.

Thank you for your continued support.

Yours sincerely

Mrs E Lane
