

Hello Year 2

We hope you are all well and enjoying the lovely weather at the moment.

We hope you are still being superstars at home and trying hard to read and complete some of our activities.

We are excited for our new topic; 'Under the Sea' and hope you find the activities fun to do. Remember you can always think of your own activities. Remember to send photos of your work to our email address:

Year2@northwickpark.essex.sch.uk

Keep safe, be good and keep smiling.

Love

Your Year 2 teachers
