

Activity 3 – Descriptive Language

Look at the pictures provided.
You have been given a special key to unlock one of the pictures to jump right in!

1. Unlock one of the pictures.
2. Record which number image it is.
3. Immerse yourself in the picture by closing your eyes. Maybe you could listen to a piece of relaxing music?
4. Once you have spent a few moments thinking, answer the following questions - Where is this place? What can you see? What can you smell? What can you touch? What can you hear? What can you taste? You could use the table attached. Try to write down your immediate responses.
5. Once completed, try to see if you can up-level any of your responses (improve word choices) to help to create a vivid image of the place you are in for those who cannot see it.
